Message from Our President

It's always interesting to see the growing interest other breeders are taking in our breed. More and more producers are willing to try out a few Brown Swiss in their herd because of the way they mix easily with Holsteins. Once again, this year we were very well represented by young people at various shows across the country, and more than nine heifers were shown at the TD Classic held during the Royal Agricultural Winter Fair.

Our Promotion Committee worked hard to recognize and honour all the young people who showed their Brown Swiss animals at these shows. To thank these young breeders, we've had clipboards branded with the Canadian association's logo, which will be sent to them as gifts.

Despite our ad published in The Bell magazine, only one person has come forward to join the By-laws Committee. We have already started work on fine-tuning our by-laws to ensure that everything is technically compliant and best represents the interests of all breeders in Canada, both Braunvieh and Brown Swiss.

For many years, we have heard how the Brown Swiss population in the United States dominates that of Canada. It would therefore be hard to overlook the quality of the

Canadian exhibits at this year's World Dairy Expo. Brown Heaven Farm was rewarded for their work during the show and received the Premier Breeder banner, a first for a Canadian Brown Swiss breeder. Nearly 400 Brown Swiss animals were shown in Madison, the largest turnout we've seen for our breed in a long time.

It is with great anticipation and excitement that we look forward to naming the Star Brood Cows in December. This honour is granted to the cows best able to pass on to their offspring their ability to produce large quantities of fat and protein while possessing solid conformation.

News from Alberta

Hello Everyone,

These last few months, life has been very busy for us. We had company all summer long and also worked on a few planned and unplanned projects. However, this is not at all a complaint, because it was fun. Then, close to the end of October, Aaron Hiltz of Nova Scotia flew to Edmonton to visit us. We spent two days together, looking at and talking about Braunvieh. Shortly after Aaron's visit, a day before Farmfair move-in, three bred heifers started their journey to his family near Aylesford, NS. Also, two heifer calves went from Farmfair to the Hicks family near Moose Jaw, SK.

And now, we truly are ready for a rest, starting right after this year's Farmfair is over. In the meantime, below some photos from last year's show that were missed or had incomplete captions in the last Bell.

Like everyone else, we will now have fun to prepare for the upcoming Festive Season by planning get-togethers with family and friends. We wish all of you a Very Merry Christmas and a Healthy and Happy New Year. We hope that 2025 will bless all of us with timely rains and good crops.

Swiss Tradition won the Breeders Herd (1st out of 3) with Mira and Shaely adding their 4-H heifers to Delux with Lexus and bull Kash

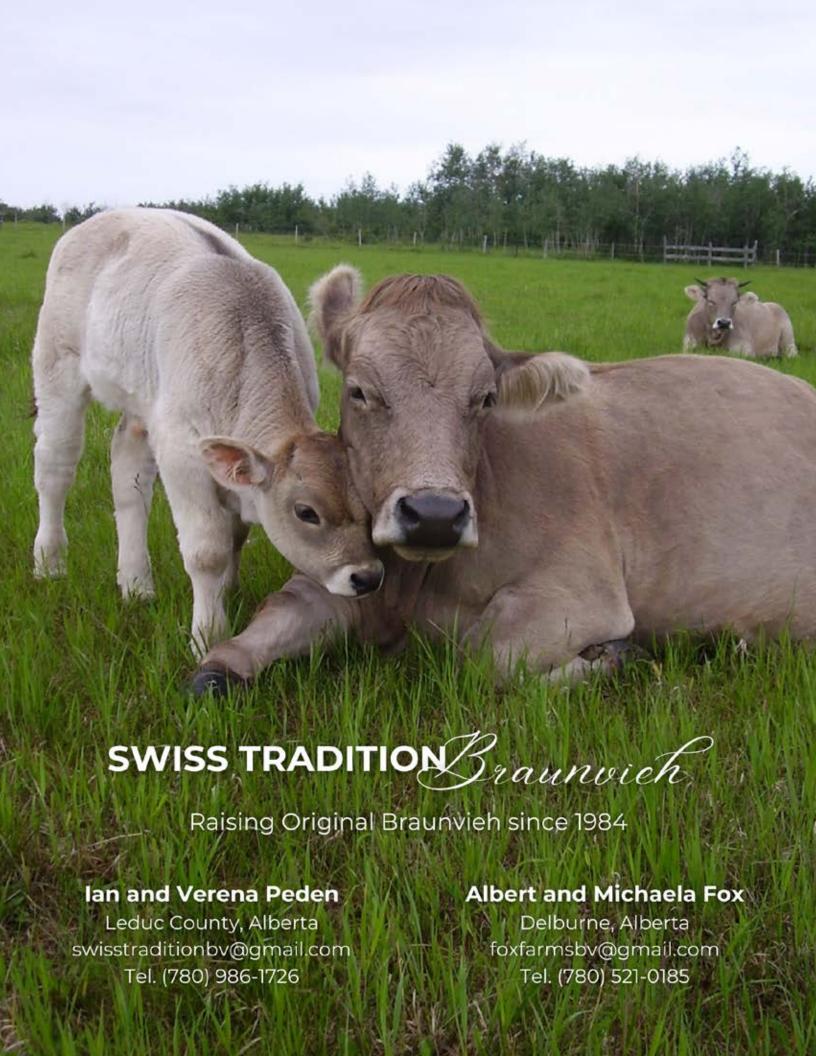

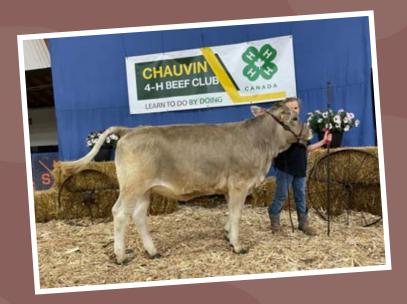

7-year old Swiss Tradition Delux with her bull calf Swiss Tradition Lexus at side made Grand Champion Female and then Grand Champion in the "All Other Breeds" class, qualifying them to go to the Supreme. Verena was leading Delux and Sarah Junck was leading Lexus. they both enjoyed it, as can be seen from their faces, and Delux and Lexus didn't mind it either

4-H Appreciation

Adelynn Fetterley writes: Papa asked me if I would be interested in 4-H and showing a heifer. He let me choose one of the Braunvieh calves - I named her Lollipop. We worked with her. She is a feisty little girl. Has a mind of her own at times. The first time I showed her at Edgerton 4-H show, she was about 3 weeks old, I did have help. She did the Jersey flop. We went to St. Paul, where people haven't seen many Braunvieh. Most entries are Angus - Lollipop got a good review there and did well until leaving the ring. Then Lollipop was Lollipop, acting up. I did win the best stall sign there. I was able to get more experience at Vermillion and she did pretty good again until we left the ring - silly girl. Looking forward to the next 4-H year.

Steer Project Name: DIESEL Breed: Original Braunvieh

"My name is Jacob Schlegel. I'm 12 years old and am in grade 7 at Calmar Secondary School. I enjoy working in the field having and love working with cows. I like working with my grandparents and family on the farm, gardening and helping my mom with the chickens. I love fishing in the summer and sledding in the winter. I dislike my mom's geese. I'm enjoying my first year in this club and the new friends I have made. This is my first year raising a market steer and I am really happy with how Diesel has come along so far! He's a really good boy! My goal for the next year is to raise a heifer project and maybe another market steer. I want to thank my parent, grandparents, and club for all the support and help they have given me. Here's to a fun show and sale!

Eloise Laroque writes: "My name is Eloise Laroque of Duck Lake, SK and I am 14 years old. I showed Larrah in 4-H for my heifer project and placed third in class."

Madeleine Schimann's 4-H Story: My name is Madeleine. I am a sixteen-year-old member of Prince George Northwest 4-H Club in British Columbia, Canada. This past year, I had the pleasure of raising my very own Braunvieh steer whom I named Linus after the adorable blanket-carrying character in Charlie Brown. Linus lived up to his name 100 percent. He was playful, sweet, irresistibly cute and incredibly curious. He loved humans and scratches, which made him an excellent 4-H steer. Halter training him was not very difficult, and he was quick to learn how to stand still and set his feet properly. At the BC Northern Exhibition, he finished at 1,265 pounds and won Reserve Champion Rate of Gain at 3.91 pounds per day. Once butchered, he had a very satisfactory lean yield of 63% and grade AA quality meat. My South African buyers told me that this was some of the best beef they have ever tasted. I highly recommend Braunvieh to anyone purchasing beef. You won't be disappointed by this gentle and adorable breed!

Zoé Schimann's 4-H Story - Brown Betty Hello! My name is Zoé Schimann. I am 11 years old and live in Prince George, British Columbia, Canada. I am a member of the Northwest 4-H Club. My heifer Brown Betty was born on April 19, 2023 at the Double H Ranch owned by local breeders Tom Houchen and Joanne Hawkins. Brown Betty is my very first heifer project. She is 3/4 Braunvieh and 1/4 Black Angus. Brown Betty is very friendly. She was very easy to halter train and rarely spooks. I have even trained Brown Betty to let me ride her! I can ride her anytime unless she is in a particularly grumpy mood. Currently I am training her to respond to reins. At the BC Northern Exhibition, Brown Betty weighed in at 930 pounds. Brown Betty and I placed second row in the Heifer Class and in Grooming and Showmanship. I will be improving on her feet positioning at our next show. As she matures and fills out her frame, I am sure she will become a fine-looking cow. This summer, I bred her to a smaller, gentle Black Angus bull named Oscar and I am very excited to calf her in March 2025. I chose a smaller bull because this is Brown Betty's first calf as well as ours and because she is a smaller cow. I would highly recommend Braunvieh as a first-time beef or heifer 4-H project or as first-time cattle owners!

Shaely Junck showed her 4-H Cow-Calf Project, "Kandy" with her calf "Misty" at the Leduc 4-H Beef Club Achievement Day. Shaely is 11 years old and is in her 3rd year of 4-H. Shaely is passionate about building her Braunvieh herd, and spends many hours a day with her animals, grooming and caring for them.

Steer Project Name: COOKIE Breed: Original Braunvieh

"My name is Jessica Schlegel, I'm 10 years old and am in grade 5 at New Humble Community School. This is my first year raising a market beef project and my first show and sale! I enjoy riding horses, cuddling my kittens and helping out on the farm. My 4 H goal for this year is to get more confident working with cows. I hope to continue with a beef project or two next year. I am very excited for summer break as I enjoy swimming and paddle boarding!"

Jans Family 4-H: Taylor, Riley, Bobbie and Harlie Jans each showed two projects in the Cowtown 4-H Club - each had one cow-calf entry and one open heifer entry. Harlie liked doing public speaking and being the Club's President. Bobbie did a great job as the Treasurer and showing her cows.

This is the 2nd year in 4-H for both girls and they had fun spending hours with their bovines. Riley is a big help to his sisters with halter breaking. With his strength and muscles, he is able to hold on to the calves during their training. Riley's favourite part about 4-H is working with the cows and learning how to feed them.

Taylor is an awesome big brother and always makes sure to help his younger siblings with the everyday feeding. Taylor also built a tack cupboard and makes sure the show supplies are taken care of. The four siblings make up a great team, working and playing and having fun showing Braunvieh cattle.

Their plans are for each of them to show a 3-year-old cow-calf, a 2-year-old pair and a heifer calf project for the 2024-25 4-H year. Through the motto "Learn to Do by Doing", they continue to grow. Bobbie says: "even though you make mistakes, the important part is to keep learning".

VOS BRAUNVIEH

Hello to all fellow Braunvieh and Brown Swiss Breeders!

It has been an eventful Summer and Fall, full of adventures, work, football, work, school, work, family life, work, 4-H and work! Yes, it has been a challenge at times to get things done, but the weather has been absolutely wonderful to keep on working! We managed to get a little bit of moisture this year and that has helped the grass, with so many past years of drought.

Summer was busy with fencing, and projects on the farm and ranch, including slowly re-doing corrals from wood to metal corrals. It is not done but is a work in progress. I am so happy with my family helping get things ready for the Farmfair International Show. Jordan was fabulous for helping get entries, registrations and stall cards ready. Taylor is our builder, he ensures things are built and fixed ready to go to the shows. My three youngest were outstanding in making sure all the animals were halter broke. Every day they would spend time after school and even some mornings before school. Even when the sun went down, Bryce Jans,

my husband and I would take the truck to the pen they were working in and shine the lights so they could lead the animals longer in the dark.

I have a sign I made that hangs in my home: "A family that works together, plays together, prays together, will always stay together." It is not always easy in life but I know that through love for one another we are able to accomplish many things when we work together. I have had a passion for Braunvieh cattle since I was a little girl when I bought my first Braunvieh. Now, as my children grow, they too love Braunvieh Cattle and now are on their way to having their own herds as well. I look to the future of Braunvieh Cattle and I know my next generation will be in good hands with the skills they learn as they go.

Thank you to all of our buyers this year and we look forward to new relationships with Braunvieh cattle. Vos Braunvieh welcomes you to come to the farm and ranch to see the cattle and have a visit.

Farmfair 2024

Farmfair International was an amazing event for Braunvieh Cattle, Braunvieh Breeders, friends, and many new friendships made. As I write this, I finally caught up on some sleep and, looking back on the week in Edmonton, Alberta, I am so thankful for all the wonderful experiences and special moments we had.

Monday November 4, 2024, the cattle arrived and were tied in Tie-Outs. The stalls were set up in anticipation of the work for bath day for the cattle on Tuesday. Ian Peden was so kind to have our wood chips spread in the stalls for our cattle. My children worked together and quickly set up the tables and booth for the stall. It was great to see Ian and Verena Peden and Michaela Fox of Swiss Tradition when we arrived along with Sara Junck and Shaely Junck. The weather was nice; no rain nor snow. It was a long eight-and-a-half-hour trip for the cattle, myself and my five children, Jordan, Taylor, Riley, Bobbie and Harlie Jans, along with one more sidekick, Colt Needham. Asia Nickel met us there and was a huge help in getting things settled in. My husband Bryce Jans once again stayed home to tend to the rest of the animals on the farm and ranch.

Tuesday was Wash Day! Jesse Mitchell joined us that morning in helping wash cows along with Asia, Jordan, Bobbie and Harlie in the wash bays. By the time all the cattle were washed, Harlie had her second bath for the day too! Back in the stalls Taylor, Riley, Colt, and Dieter Schamber were the Drying Team, blowing them dry and getting them ready to be fitted with Riley Jans and Megan Bond. Verena, Michaela, Sara and Shaely were busy on Monday getting cows washed and cleaned too. I made meals in the crockpot, air fryer and kettle to keep all the crew fed. Alana Schamber, another Braunvieh Breeder from Tin Forest Farm, brought delicious burritos and chips to go along with the breakfast burritos and egg bites. The food was delicious and it was nice to have friends come to support. It was a long night as Taylor and I finished grooming the last of the heifers. We made sure all the show halters and cattle class numbers were in order for the show. The rest of the kiddos went back to the Airbnb to get some rest before the big show day.

It was a very early morning on Wednesday, as it was Show day and the show started at 8:00AM! Everyone needed to be fed including all the crew. First, the cows were fed and everyone worked together to make sure they were again clean and ready to go to the show ring. Show halters were on, show harnesses and show sticks ready, combs in pockets and everyone had their best clothes on, including all the little girls had their hair braided. It was a first-time experience for Dieter Schamber and Asia Nickel in the Show ring and they both did a wonderful job showing cattle. Much like the 4-H Motto: "Learn to do by doing", this is what youth in Braunvieh are doing. I am so thankful first to my children for sharing their love of Braunvieh with others and all the hard work they put in to make things happen. Sara, Elouise, Michaela, and Verena showed Swiss

Tradition cattle. Jordan, Asia, Bobbie, Harlie, Dieter, and Riley all showed Vos Braunvieh cattle. Taylor, Colt, Jasper, Alana, Raya, Shaely, and Ian all helped make sure animals stayed fed and clean, ready for the classes in the show. Alana made yummy sandwiches and there were assorted squares and snacks for everyone. The cows and crew were all exhausted after the show and everyone needed a nap.

Thursday, Friday and Saturday were days spent visiting with other breeders, friends, and potential new breeders. Bruce and Lori Anderson called to wish us well. Kelly Bonwick came by for lunch and a visit and to see the cattle. It was great to see Mira Schamber, a past exhibitor and friend come for a visit too. Dan and Carmen Bremault also made a trip to come for a visit and see the cattle. I plan to catch up with other breeders within the next month to have a visit and share a bit about Farmfair International 2024.

As many of you readers may know, I wrecked my leg in the Spring tearing the hamstrings off and needing a donor support to get my leg fixed. I was very grateful to make this trip with my children. My leg continues to improve and hopefully next year I will not need the extra support of a walker! I was happy to make meals and share so nobody went hungry. It is with humility I say thank you to everyone who helped make this trip possible. First, thank you to my children: Jordan, Taylor, Riley, Bobbie, and Harlie who all share the love of our Braunvieh cattle and pitch in with all the work. Secondly, thank you to Ian and Verena Peden for all the support over the years and the continued support for the Braunvieh breed as well as to my family. Thank you to Sara and Shaely Junck, Alana, Raya, Mira, Dieter, and Jasper Schamber's Family, Asia Nickel, Colt Needham, Kelly Bonwick, Michaela Fox, Jesse Mitchell, and Megan Bond for all the help with work and getting cattle fed, cared for and ready for show. Lastly, thank you to my husband, Bryce Jans who loves and supports me and our family in showing cattle and tending to matters at home. It is because of Bryce and his support we are able to make the trip and do the things we love. We hope to see you all and new people to Farmfair International 2025 in Edmonton next year.

Saturday night we headed out and made it home on Sunday morning. It was a long week but a week full of memories and fun times too!

The placings and show details can be seen on the link included and there will be more pictures to come for the next Bell. The Braunvieh cattle showed in the "All Other Breeds" Show.

THE BELL | FALL-WINTER 2024

News from Manitoba

Greetings from Manitoba!

We are nearing the end of our harvest season and have much to be thankful for as we are busy preparing for winter.

As an Association, we were able to get together two times this year. Our Annual Meeting was held in April, 2024, in Carman, Manitoba, with eleven people present.

Then, on July 28th 2024, we had our Brown Swiss Picnic at Four Oak Farms, Kleefeld, Manitoba. There were thirty-three people present, and we enjoyed good food and visiting.

Fred Mathys presented a summary of production records submitted by our Manitoba farms.

Congratulations to Four Oak Farms for achieving the highest records in most of the categories for 2023. We also enjoyed a Barn Tour and some opportunity to cool off with water guns! It is always a pleasure to get together with our friends in the Manitoba Brown Swiss Association. Thank you to the Dueck's - Armin and Antje, Marcus and Paige and your families, for your warm hospitality!

Best wishes to everyone. I hope your winter goes well, and that you have a wonderful Christmas!

Linda Doerksen, Secretary Treasurer, Manitoba Brown Swiss Association

Greetings to our Brown Swiss breeders and friends across Canada. Here in Ontario we have been enjoying a glorious Autumn with warm sunny days and a little bit of rain at times. The foliage was beautiful, but finally the leaves have almost all fallen. It is hard to believe that winter is almost here.

We would like to thank Ontario Joint Dairy Breeds for sponsoring us this year to support Youth Showmanship. We were able to present a sweatshirt with our Ontario logo to the 4-H members in our province who finished a project with a Brown Swiss calf. These members were from ten different counties.

From Leeds County, Deacon Scott showed a Brown Swiss calf. Prince Edward County had one member, Alexa Prinzen. From Wellington County, the member was Arielle Bauman. The members from Grey County were Bennett Huesing, Jaiden Stull, and Sidney Sicard. In Brant County the members were Brooke Caine, Marcy Holt and Kayden Dougherty. Our members from Frontenac County were Cohen Brown and Elizabeth Stoodley. Huron County had a big showing with Courtney Gubelmann, Katrina Gubelmann, Rachel Gras, Simon Gubelmann, and Sam Kramer and Simon Kramer. Gwyneth Smith and Kurtis Moore finished their projects in Durham West. In Bruce County, our members were Isla Bell Palmer, Julia Ferrier, Maria Weber, Molly King, and Sarah Weber. Zoel Lang from Essex County also finished a project with a Brown Swiss Calf.

We would like to thank all of the 4-H leaders for putting in so much time and effort to help the young people finish their projects. They are the future of our breed.

We will soon be preparing for the Holiday Season. Best wishes to everyone for the holidays and the New Year from the Ontario Brown Swiss members.

4-H Recognition

Hello! My name is Zoel Lang, and I am in the Essex County 4-H Dairy Club in Ontario. I am very grateful for the opportunities given to me by all of the youth agriculture organizations that encourage young people like me to be involved in their communities and to foster connections. It has always been an aspiration of mine to raise, train, and to show a Brown Swiss heifer, and I was able to fulfill that dream this year when I competed in the TD 4-H Classic at the Royal Agricultural Winter Fair. It is very encouraging to be acknowledged by your organization when you decide to take a risk and try something new. My calf's name is Bally Bright Tater Tot, owned by Bally Bright Farms, and she was born on September 3rd of last year. This show season I took her to the Eastgen Challenge West, our local show event at the Harrow Fair, as well as the Royal, which was previously mentioned. Special thank you to Vicki and William Morrison for allowing me to show her! I am glad to have been a part of the niche of Brown Swiss cattle, and this organization bolsters all of the people involved that partake in raising this uncommon breed. I've included some images of our participation in show events.

4-H Recognition

Hi! My name is Jaiden Stull, I am 12 years old and I am from Markdale, Ontario. I am a member of both the Canadian and American Brown Swiss Associations. I am very active in 4 H showing cattle, mainly Brown Swiss. My prefix is REDLAWN.

The REDLAWN prefix began over 30 years ago with my grandparents John and Sheila Stull. The beginning of their Brown Swiss journey was when they purchased the West Lawn herd from Sarona Wisconsin in 1984. When I was 9 years old, my dad bought me my first Brown Swiss cow, GROVES VIEW CARTER TATTLE, she was bred by the Groves family from Missouri and has been a huge influence in my herd. When the first few heifer calves from GROVES genetics started hitting the ground, with potential to be the 10th generation VG or EX, we were very excited for the future of these animals. Since we purchased TATTLE we have bought a few heifers from some of the best Brown Swiss families there are: WIZARD, WALTZ, DELILAH, SASHA, TRATS, and even SNICKERDOODLE.

I have travelled to many different places to show Brown Swiss. Stillwater, Oklahoma is where I had Reserve Intermediate Champion of the Southwestern National Junior Brown Swiss show this year with BLESSING OSBORN R BRIEA ET. I was also very excited to have Champion Winter Heifer Calf with EDGE VIEW D DENISE and Champion Junior Showman in 2023. This August we went to the Ozark Empire State Fair where BLESSING OSBORNE R BRIEA was Grand Champion Brown Swiss cow in both the open and junior shows in Harrisburg, NY. Last year we took one of our favourite and most promising heifers, JENLAR RASTA WISH ETV, to World Dairy Expo where I got to exhibit in the International Brown Swiss Show for the first time! Every year we take a few of our favourite show heifers to the Ontario Brown Swiss Show at the Hanover fall fair, it is something we look forward to every year.

News from Quebec

Hello Everyone,

I hope you had a good summer. Despite this very busy season, I would imagine that you were able to take some time for yourself.

Another year draws to a close for Quebec Board members. A number of issues have been worked on and discussed over the past few months.

The updated strategic plan was drawn up with achievable and realistic objectives and deadlines, which is motivating for us Directors.

As for the Club's finances, after several meetings, discussions and budget adjustments, we ended the financial year with a balanced budget. Needless to say, we were delighted.

On July 27, the Picnic was held, an event that brings our breed together as a family. It was a success all round, with great attendance and good weather! A huge thank you to the partners, volunteers and owners of Ferme M.C.F. Leclerc inc. in Trois-Rivières for their hospitality and dedication on this day.

The last week of October and the first week of November saw the annual Brown Swiss Cup. Several farms were visited by Jean-Yves Goulet, who acted as Judge this year. We sincerely thank him for accepting this mandate. He was accompanied by our Technical Advisor, Serge Bilodeau, and a representative of CIAQ, partner of the event. A strong turnout from our members gives us reason to believe that this competition has its place, year after year. The results were announced at the provincial AGM.

On the genetic side, we have been able to see that our requirements are actually being addressed. The list of sires recently proposed is more in line with what breeders have been asking for, i.e. good fat levels that improve the fat/protein ratio, a major advantage with the new milk payment system, not to mention of course a wide variety of choices for all types of herds.

In 2024, our membership in Quebec remained virtually unchanged, which is good news given the economic context of recent years. For those who don't know, there are advantages to becoming a member. The first year is free. In addition, 10 transfers of ownership are included. So, if you happen to sell some beautiful Brown cows to a new breeder, don't forget to mention it. By the same token, registering offspring later on will also be easier.

Finally, on a positive note, Brown Swiss Canada has accepted our proposal for Star Brood cows. We can't wait to find out which cows will be the first to be announced!

On November 28, we held our AGM with a wine and cheese reception. Thank you to our sponsors and to the generous donors of these cheeses made from Brown Swiss milk, of course!

Our special thanks go to the members of last year's Board of Directors... an outstanding team who are fully committed to the breed. Thank you for your time, your dedication and your passion.

Dave Labrie President, Quebec Brown Swiss Club

LES ÉLEVAGES CÉLESTAR INC.

Located in the town of Saint-Célestin, Quebec, the Véronneau-Saint-Amour family undertook a major challenge in 2011: a farm transfer between unrelated parties. Following the dispersal sale of the herd where Guy Véronneau was manager at the time, he worked as a poultry farm manager for 6 months... only to realize that he couldn't see himself doing anything else but dairy farming. So, with 36 kg of quota, the adventure began. The success of this transfer is due in large part to a collaboration between a few key people: Mr. René Bourgeois (building rental/crop purchase), the business owner who put his animals on consignment, and of course our family and friends who supported us throughout the years.

Our first Brown Swiss animals were introduced into the herd in 2012. We initially opted for this breed based on its good temperament, hardiness and components, but when we compared quality, we soon realized that Brown Swiss was more in line with our budget. Since 2017, we have filled all the spaces in our barn with bred-and-owned animals. Several good cows have come and gone, but our favourite was Belle Suisse, a "crossbred" who spent 10 years in the herd and had several offspring. Now that's what we call an ideal cow: one that has calved six times practically unnoticed! Our 90-head herd now includes 45 milking cows (90% BS) with an average of 9500 kg, 4.4% F and 3.5% P, producing a quota of 60 kg/day. We use various management tools offered by industry partners, i.e. milk recording.

Our main crops are hay, corn, soybeans and oats. At the farm, we prioritize forage milk and good management. As they say, as long as the accountant is happy, all is well!

Only 6 years after purchasing the land, machinery and house, another major project is in the pipeline: modernizing the farm with a new milking robot and housing facility. This change is primarily aimed at improving the animals' well-being to make up for the labour shortage, and to provide the family with a better quality of life. We can't say we're doing it for the next generation, because they're still too young, but time will tell. Today, Maxime (17) studies at l'Institut de technologie agroalimentaire du Québec (ITAQ), Vincent (15) helps out quite a bit in the barn and David (10) continues to wear a Case sweater!

In addition to their farm responsibilities, Guy and Sandra are dedicated to their community. Guy is a volunteer firefighter and looks after the skating rink with his son, not to mention several hours devoted to hockey, and Sandra is the town's Mayor. So what's next for this busy family? "Right now, we're pretty much asking ourselves why we did what we did, when everything was fine before! Our ultimate goal is to improve the family's quality of life and the herd's performance."

I am looking forward to seeing what the new year has in store for the Brown Swiss/Braunvieh community.

Take care and Happy Holidays!

- Isabelle Passaretti
