Message from Our President

Dear Members and Breeders,

In mid-November, I decided to visit the Royal Agricultural Winter Fair as a tourist. Despite the absence of Brown Swiss from this event since 2013, the barns are full and there is inspiring enthusiasm among the breeders and exhibitors present. Many are calling for our breed to return to the Royal. It would undoubtedly be a fine showcase, but the fact is that we need a sufficient number of exhibitors and animals to hold a competition.

My presence at the Royal also brought back fond memories of Fred Hopkins, a Brown Swiss breeder who recently passed away. Fred was an extraordinary person and a proud breeder and exhibitor. He and his loyal partner, Leon Bender, were the only exhibitors to have a Junior Champion at the World Dairy Expo with Edencrest Image Leila, which perfectly sums up the extent of his talent and love for high-caliber animals.

The Royal is synonymous with TD Classic, the Canadian final of the 4-H program, or "Jeunes ruraux" in Quebec. Eight top-quality Brown Swiss animals were exhibited this year, providing an excellent representation of the breed. Once again, we wanted to highlight the efforts of all the young people in the country who exhibited Brown Swiss this year, by offering them a backpack bearing the Association's logo.

Again this year, Canadian breeders and exhibitors showcased the very best of Canadian genetics at the World Dairy Expo. Over 380 animals were exhibited in the second largest judging after the Holstein breed. It's always impressive to see how popular the Brown breed is in the United States. Iroquois Acres Jongleur Cali EX 97 was crowned Grand Champion for the second time in her career. Cared for by Lookout Farm in Quebec, Cali perfectly embodies the longevity that our Brown Swiss breed is known for. At ten years old, fresh from her seventh calf, Cali seems to retain her eternal youth. It was also great to see some of Canada's youth taking part in the Junior Show, which took place at the same time as the main event. It's worth mentioning that more than a third of the animals shown in Madison are exhibited by young people during the Junior Show.

With lumpy skin disease and blue tongue disease currently raging in several European countries, importing semen from Europe is virtually impossible, at least for new bulls, as samples harvested before this summer are still eligible for export. In addition, delays in filling semen orders due to political disagreements between the United States and

Canada are a major constraint on the development of our breed. We are currently working with our partners to resolve this administrative issue and hope to see centres maintain larger inventories to better serve breeders.

Finally, the province of Alberta will be delighted to welcome us this winter for the Annual General Meeting. Preparations are well underway, and Alberta members are expecting a large turnout in Calgary. Why not take this opportunity to come and meet these proud Braunvieh and Brown Swiss breeders and enjoy the picturesque scenery of nearby Banff?

Happy Holidays!

- Dave Rousseau

Happy Holidays

News from Alberta

As I reflect on this past year, there has been learning and adjusting to the weather. This year the hay season was prolonged due to moisture and rain. As farmers and ranchers, we long for and pray for rain. Sometimes we get it when we want, and then there are years like this when it comes late summer and well into fall. This is by far the longest hay season ever. The last bale was made on October 17, 2025! The bale picture was taken on September 11, 2025, when we finally had a dew to bale the hay. The calves and cows did well on the grass with the late rains, it has been drying again but with winter coming, I am sure there will be more moisture.

On October 20, we started moving cows from the summer pastures to the winter pastures. There is just something so beautiful to see when trailing the Braunvieh cattle. It has been beautiful days with temperature in the teens. Hopefully, by the end of November, all the calves will be weaned, and things will settle and the cows will stay on the winter pastures until a big snowfall.

While things have been crazy busy with my family and despite the hardships in life, working together to support each other always allows us to continue to learn, grow, and love one another. I am grateful to be walking after tearing my hamstrings a year and a half ago, and my hope is to regain

On November 5, 2025, the Alberta Braunvieh Association met at Farmfair International for a meeting. The Youth Committee, Promotional Committee and Bylaw Committee also met during the week.

There is enthusiasm from breeders to have Braunvieh swag. There will be a logo contest to design a logo and then to get some shirts, hoodie sweaters, cards, and other swag made.

With the Annual General Meeting of the Canadian Brown Swiss and Braunvieh Association coming up on February 28, 2026, hosted by the Alberta Braunvieh Association, we discussed plans for the Silent Auction and the need to reach out to potential sponsors and donors for both the auction and the meeting. Details will be included on a dedicated page in the Bell.

It was great to see six Braunvieh breeders from both Alberta and Saskatchewan come to support Farmfair: Bonwicks Braunvieh, Prairie Gold Braunvieh, SMJ Braunvieh, Swiss Tradition Braunvieh, Tin Forest Farm and VOS Braunvieh.

- President Riley Jans, Vice President Dana Vos, and Alana Schamber

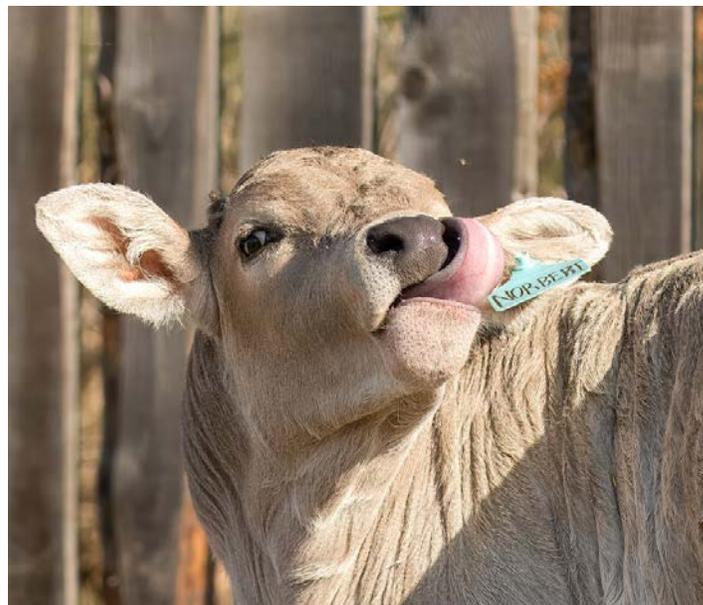

my strength and continue to walk. It may take 5-6 years, but through support in health, I know it is a goal I will work on daily.

We are thrilled as the Alberta Braunvieh Association to be hosting the Canadian Brown Swiss and Braunvieh Annual General Meeting in Calgary at the Clique Hotel. We hosted it two years ago, and it was so much fun. We are hoping members will come to Calgary where we can meet and socialize with like-minded cattle individuals. For those who are considering the trip, even in the winter, hot tubs will be open on the roof to enjoy! A true Canadian experience. We will have a full line-up of items for the silent auction and hope to have a youth member on the phone to assist those from afar to bid. It is my hope also to have pictures of the items up for auction and circulate them to the members. So please save the date, February 28, 2026, and make the trip to Calgary.

After my return home from Farmfair in Edmonton, Alberta, with the cattle and kids, we are gearing up to attend Agribition in Regina, Saskatchewan. There is a lot more logistics to take cattle to Agribition, but we will continue to meet and talk about bringing our cattle there one day. The youth from Alberta also aspire to have a Junior Braunvieh Show and the goal is set to fundraise and make things happen in the future. I am proud of all our youth who show Braunvieh cattle in shows and 4-H. I foresee Braunvieh has a great future with our youth involved.

I will end by saying, if you can dream it, you can do it. Set the goals high and don't stop until you get there. It is never too late to dream, set a goal and achieve.

- Dana Vos,
Alberta Braunvieh Director

- Silent auction (silent auction items are graciously appreciated)

Call Dana Vos at 306-409-0219

Lunch can be ordered at the CLIQUE Hotel restaurant

Social: 5:30 p.m. | Dinner: 6:30 p.m.

AGM RSVP's to be sent to brownswiss@holstein.ca

Email alanadschamber@gmail.com to pre-register for the banquet & pay by E-Transfer.

News from Alberta

Farmfair International 2025

Farmfair International once again was a lot of work and of course lots of fun! The Braunvieh Show was held under the umbrella of the All-Other Breeds Show.

There were five Braunvieh Breeders who exhibited: Bonwicks Braunvieh, Prairie Gold Braunvieh, SMJ Braunvieh, Swiss Tradition Braunvieh, and Vos Braunvieh. Crocus Braunvieh, Jans Braunvieh, Tin Forest Farm and Western Braunvieh also came to help and assist at the show. A big thank you to Deiter, Jasper and Alana Schamber for helping marshal and handing out ribbons. A special thank you to Kelly Bonwick for bringing pizza for everyone on the last day for supper.

Preparing for the show happened all year long. Many exhibitors were down to the last minute to enter. By Tuesday, November 4, 2025, the cattle were at Edmonton EXPO Centre getting washed and ready for the show on Wednesday. The show day finally arrived on

November 5, 2025, and everyone did their best to show and there was some fantastic Braunvieh cattle in the show. Although there were Champions and Reserve Champions in each class, Judge Landon Shutz commented very highly on all the animals and highlighted their traits. Together at the show there were 23 Braunvieh animals.

It is the hope of the Braunvieh breeders to continue to have their own show and work together under the umbrella of the All-Other Breeds Show. We look forward to more new exhibitors next year and encourage other Braunvieh Breeders to come show, watch and learn.

The saying goes, "A picture is worth a thousand words", so I will keep this brief so the pictures will speak for themselves.

4-H Appreciation

Hi, my name is Sawyer Grace Fetterley. I am part of the Edgerton 4-H multi-club. I had my first calf experience last year. His name was Newman. When I walked Newman, he was feisty, but he was good. It was my first time training a calf, but it was fun. At achievement day I got to dress Newman up as a tiger and I got to dress up as Jasmine. We painted stripes on him, but it got on me, so next time I think I want to just dress my calf up.

Hi, my name is Adelynn Fetterley and I'm part of the Edgerton 4-H multi-club. Mango was a really great steer, I loved him a lot and it was really sad to let him go. He was always friendly and I walked him a lot. Every time I walked him he tried to head butt me. When we washed him he was calm, but did like to jump in the air when we had to hose and spray him. Sometimes he was very stubborn, he would only take a few steps then would stop, so we had to push him to get going. I got fourth place in weight, I had done three shows with him as well. He was such a good steer, it was a super fun project to do.

Hi! My name is Chase Guliker and I'm almost 12 years old. This is my third year in 4-H and I'm super excited! I really like being in 4-H because I learn a lot and get to do fun things with my animals. Last year I had a Braunvieh steer for my 4-H beef project. His name was Duke! He was really fun to work with, even though sometimes he made me work extra hard. I can't wait to see what this year's steer will be like!

This year I showed my Braunvieh cow Kandy and her calf Ninja at two shows. Even though I worked hard at getting them ready, the judges didn't pay much attention to them as Ninja was small at the time with being a May-born calf and we didn't place very high. I felt a little disappointed because I thought they looked great.

But I didn't give up—I kept brushing, walking, and feeding them right, and when we went to the Farmfair International Show, everything finally came together! My cow and calf looked their best, and the judge was impressed. Together they made Reserve Champion female and Ninja alone made Reserve Champion bull overall. I was so proud of how far we'd come. It showed me that hard work really does pay off, even if it takes a few tries.

News from Manitoba

Greetings from Manitoba!

Hopefully everyone had a good Thanksgiving weekend! As the seasons change, and we look back, we realize that we have much to be thankful for.

As usual, life has been busy on our farms. At Sight Hill Farm, near Austin, we were once again able to host some school tours this year. A group from our local High School in MacGregor came to learn about technology used in agriculture. The students and teachers enjoyed the barn tours. In June, the grades 4 through 6 from the Austin Elementary School came for an afternoon of learning and fun on the farm.

Crikside Farm had the excitement of celebrating a wedding in August. Congratulations, Robert and Maxine!

As an Association, we were able to get together two times this year. Our Annual Meeting was held in March, 2025, in Carman, Manitoba, with ten people present.

Then, on August 10, 2025, we enjoyed our annual Brown Swiss Picnic at Sight Hill Farm, Austin, Manitoba. We had a good-sized crowd, and enjoyed lunch, a barn tour and a fun afternoon with friends. Fred Mathys also presented a summary of 2024 production records submitted by our Manitoba farms.

Best wishes to everyone. I hope your winter goes well, and that you have a wonderful Christmas!

- Linda Doerksen, Secretary Treasurer,
Manitoba Brown Swiss Association

News from Ontario

Greetings from Ontario to our breeders and friends across Canada. Best wishes to everyone as the weather changes and we get ready for winter.

Thank you to Stefan and Rita, Katrina, Courtney and Simon Gubelmann and Ernst and Yolanda Gubelmann for inviting us to their home for our summer picnic on July 5 this year. Stefan welcomed everyone to their farm. They have built a Wolf timber structure barn, which can be erected in two to three weeks. The barn is very light and airy.

The event started with lunch and David Bates said grace, giving thanks for the company and the food. A wonderful pulled pork lunch was provided by our hosts, and the guests brought salads and desserts, which always results in a delicious variety. About 40 people attended, including current and former Brown Swiss breeders, friends and neighbours. Isabelle Passaretti, C.B.S.B.A. employee, joined us and took photos for The Bell.

After lunch, we toured the barn. The Gubelmann's are milking 85 cows and have 30 calves on milk. The cows went to pasture on January 9 this year and they usually stay out until November. They go from the pasture into the milking barn, where they go to the robotic milkers whenever they want to. Some of them go in five or six times a day because they like the pellets, and the older ones need to be encouraged to go in twice a day.

At our picnic we choose our Brown Swiss Miss to represent the breed for the year at fairs and shows. This year, Molly King has agreed to be our Representative. Molly has completed many 4-H projects with Brown Swiss calves and is currently a chaperone for the Bruce Dairy Team. She has been Champion Show Person at our shows at the Kincardine and Hanover Fairs and had a first-place calf as well. Her Delilah daughter, Edge View D Denise, placed 5th in New York at the National Brown Swiss Show, and she

has shown the Champion coloured breed calf at the Royal Agricultural Winter Fair for four years. Molly is completing the Vet Tech course at Northern College, leading the Fitting and Showing 4-H Club for Bruce County, and staying active with Brown Swiss calves. We look forward to seeing Molly at the fairs.

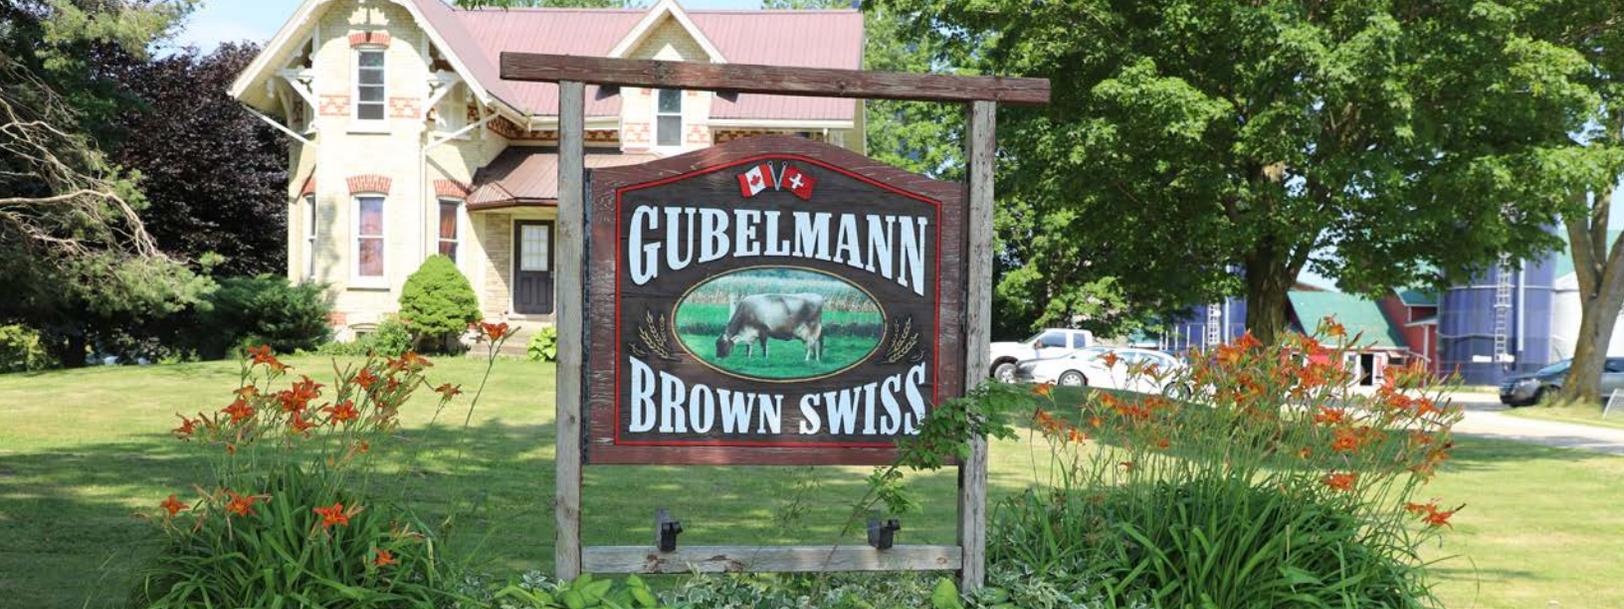

This year, we have had 18 4-H members from nine counties complete a project with a Brown Swiss calf. These members put on two excellent shows this year, one at the Hanover Fair and one at Kincardine. Congratulations to Maria, Grand Champion Showperson at Hanover, and to Jaiden Stull for showing the Grand Champion 4-H calf, Hills Valley Foremost Yoshi. Grand Champion Showperson at Kincardine Fair was Kasja Bowman, and the Grand Champion 4-H calf was MD-West-View-I Bullseye Shelly, shown by Kasja Bowman in the open show. Congratulations to our 4-H members for a great showing!

- Tracy Reid, Secretary Treasurer
Ontario Brown Swiss Association

4-H Appreciation

Summer Picnic at the Gubelmann's

We extend our heartfelt thanks to the Gubelmann family for graciously hosting this year's summer picnic. It was a beautiful day to gather with friends, enjoy the lovely weather, and tour the impressive new barn. The afternoon also offered a wonderful opportunity to meet new faces and connect with fellow passionate breeders who share our enthusiasm and dedication.

2025 ALL-CANADIAN 4-H CONTEST

Deadline January 12, 2026

The All-Canadian 4-H Contest was established to recognize the outstanding animals shown at 4-H shows across the country for both Brown Swiss and Braunvieh animals.

Classes for the 2025 4-H Contest include:

Brown Swiss Junior Class:

1. Junior Calf–Mar 1/25 – May 31/25
2. Intermediate Calf – Dec 1/24 – Feb 28/25
3. Senior Calf – Sept 1/24 – Nov 30/24
4. Summer Yearling – June 1/24 – Aug 31/24
5. Junior Yearling – Mar 1/24– May 31/24

Eligibility

To be eligible for entry in the All-Canadian 4-H Contest the animals must meet one of the following qualifications:

1. Place 1st, 2nd, 3rd, 4th, 5th or 6th at an accredited 4-H show in Canada
2. Place 1st, 2nd, 3rd or 4th at any other show in North America.

Pictures

- It shall be the responsibility of the exhibitor to secure and supply the photos of animals being entered in the All-Canadian Contest.
- The photos must be 5 x 7 unretouched black and white or colour glossy prints.
- Pictures must be made during the current year and show the animals in the same stage of growth as when she qualified in the show ring.
- The judges will have the authority to remove pictures from the contest if picture quality standards have not been met.

Entries

- Entries must include one picture and a completed entry form.
- A confirmation email will be sent for each entry.
- **All entries must be received by January 12, 2026. There are no exceptions.**
- Entry fees: all fees for the 2025 All-Canadian 4-H contest have been waived.

Judging of the Contest

- Entries will be judged by judges selected by the Executive, who will select the winner by placing them 1, 2, 3 (with 7 pts for 1st, 3 pts for 2nd 1 pt for 3rd).
- Once the classes have been placed, the points will be tabulated to determine the winner. (Judges who have animals in a class will have to abstain from those classes).

Presentation of the award will be made at the 2026 CBSBA Annual Meeting.

Entry forms can be obtained from the Canadian Brown Swiss and Braunvieh Association, 20 Corporate Place, Brantford, Ontario, N3T 5R4, phone: 519-756-4720, email: brownswiss@holstein.ca

News from Quebec

Hello everyone!

Summer and fall proved to be droughty in many parts of Quebec. At the time of writing, conditions were only getting worse, with many farmers facing water shortages. Let's hope that plenty of rain will eventually fall.

On a more positive note, our famous Brown Swiss Cup was held from October 20 to 24. Several farms and breeders came together, and it was a great success. Many thanks to those who took a few minutes of their time to visit us. Our Technical Advisor, Serge Bilodeau, attended the event with Judge Brett Haines, who we would like to thank sincerely for accepting the mandate this year.

For a second year, the Coloured Breed Championship is back. This exciting competition requires no registration, just like last year, and two new breeds are now taking part: Ayrshire and Canadienne.

On August 9, our first barbecue was held in Saint-Adrien-d'Irlande, Quebec. The sun was shining, and Ferme Claudor & Fils Inc. welcomed us and pulled out all the stops with unlimited hot dogs and drinks. Many thanks to Dany Labranche, his spouse Cindy Boisvert and all the volunteers for putting together such a wonderful event, enjoyed by all.

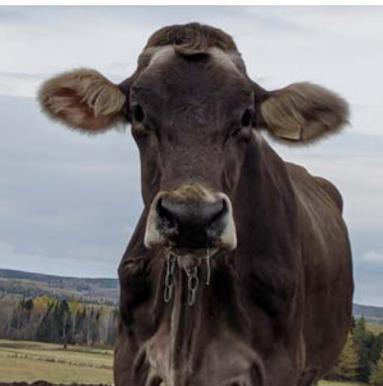

Preparations are already well underway for the picnic scheduled for August 1, 2026 at Ferme Charluson inc., located in Saint-Cyprien, near Rivière-du-Loup, in the Lower St. Lawrence Region.

I also want to briefly recap a farm sale that took place last September. Several Brown Swiss animals were included in the sale, and all found buyers, at a fair price. I thought I would mention this, because why not bring such good news to light? Although the sale of an entire herd is never good news in itself.

At the 2024 AGM, members voted to move the end date of our fiscal year from September 30 to December 31. No change for 2024-2025, though. In fact, a smaller virtual AGM will take place or has taken place, while the in-person AGM will be held on February 26 and 27, in conjunction with Jersey Québec, at Hôtel Le Victorin in Victoriaville. Same location, but each in our own conference room. However, the evening banquet and many other aspects of the event will be shared. We look forward to a great evening, and a chance to network with other breeding enthusiasts. Details will be announced in the coming weeks, either through advertising, a newsletter or on social networks.

On that note, I would like to wish you a wonderful winter. Try to make the most of it, share some good times and recharge your batteries, because in my experience, everything can change overnight. See you soon.

- Dave Labrie
President, Quebec Brown Swiss Club

A PASSION FOR BROWN SWISS COWS

at the Heart of an Evolving Herd at Ferme Claudor & Fils Inc.

Located in Saint-Adrien-d'Irlande, Quebec, Ferme Claudor & Fils Inc. is run by Dany Labranche and Cindy Boisvert, a couple united by their passion for dairy production and a deep attachment to the Brown Swiss breed. Together, they are building a diverse herd, where quality, sustainability and animal welfare guide every decision.

A Growing Family Farm

With a quota of 71.41 kg, the farm has 115 animals, including 65 cows kept in a tie-stall barn featuring a milking system with automatic take-off. The herd, still young and developing, already boasts an average production of 7,446 kg, even though more than half the cows are in their first lactation. Not all the animals are classified now, but the ones that are include two Very Good and seven Good Plus, a solid foundation on which to build for years to come.

The herd at Ferme Claudor is multi-breed, but around 30% of the cows are Brown Swiss, a figure likely to increase. Forage and corn silage crops ensure the farm is self-sufficient for feed.

A Vision for Quality and Longevity

For Dany and Cindy, the ideal cow is above all productive, strong, long-lasting and capable of passing on quality genetics to her offspring. This philosophy is reflected in their rigorous approach to bull selection, based on production, components, health criteria and conformation. As Dany points out, "a strong cow will obviously live longer in the herd".

Falling in Love with the Brown Swiss Breed

The love story between Ferme Claudor and the Brown Swiss breed goes back to 2001. It was during an internship on a Brown Swiss farm, Léonard Chabot's Ferme Baronets, that Dany had a revelation: "I got to know the breed and

fell in love instantly". A few years later, he purchased his first animals from Alain Préfontaine, a breeder who remains a valuable advisor to this day.

For Cindy, the Brown Swiss was an obvious choice: "To me, no cow is more beautiful than the Brown Swiss, with her lovely ears and shades of grey." She particularly appreciates the breed's hardiness, docility and strength. "It takes patience to see their full potential, but by the third calf, their production explodes," she adds admiringly.

A Proud Evolution

Since taking over the family herd, Dany has converted the farm from a 100% Holstein herd to a multi-breed barn. A transformation he considers his greatest achievement: "Having the chance to get to know each breed allows me to select top animals in each of them."

Cindy's pride is more personal and comes from seeing the number of Brown Swiss grow year after year. "When I arrived, there were only three Brown Swiss in the barn. Today, it makes me proud to see so many of them. Seeing their little 'mouse faces' when I walk in gives me immense joy."

Favourite Cows

Every breeder has their favourites. Dany's best-loved cow is Diana, who arrived as a heifer and became a reliable breeder, "strong and passing on her genetics well", with already two daughters in the herd. As for Cindy, she finds it impossible to decide: "They're all different, each with her own character and colour. They're so friendly too... really, they're all my favourites."

Looking to the Future

Although Claudor Farm does not participate in shows due to lack of judging in Quebec, they have entered animals in the Brown Swiss Cup over the past two years. The goal for the future of Brown Swiss in this multi-breed herd is clear: to increase the amount of Brown Swiss to 50% of the herd in the next few years, thanks to the use of sexed semen and selecting the best breeding females.

Family Life on the Farm

Behind the business there is also a big family, made up of biological children and children of the heart. The Labranche-Boisvert family values shared moments, whether it's traveling across Quebec or simply enjoying the pool in summer and the spa in winter. "Spending time together is what allows us to create beautiful memories," they confide.

FERME CLAUDOR & FILS INC.

Owners: Dany Labranche and Cindy Boisvert

Location: Saint-Adrien-d'Irlande, Quebec

Herd: Multi-breed (about 30% Brown Swiss)

Average Production: 7,446 kg

Quota: 71.41 kg

Milking System: Tie-stall with automatic take-off

Crops: Forages and corn silage

Message From the Registrar

Happy Winter to all!

As we bundle up and try to stay warm through the colder months, I thought it would be a great time to share a quick update.

As of November 1, we have completed 789 classifications and processed 1,040 registrations. While registrations are slightly lower compared to this time last year, we're pleased to see an increase in classifications!

Falling behind on registrations?

No worries—we're here to help! Reach out to see if you qualify for our catch-up program.

Pending transfer?

Please send it directly to the Registrar by mail or email.

Make sure to include:

- A copy of the certificate of registration
(An electronically submitted transfer application or written/ electronic agreement is also acceptable)
- The date of transfer
- The seller's signature or written approval

We're always on the lookout for seasonal cover photos! This winter, grab your camera (and your Brown Swiss/ Braunvieh) and get creative with some festive Christmas decorations.

Submit your photos to brownswiss@holstein.ca for a chance to be featured on our cover.

If you have any questions or need assistance, don't hesitate to contact me by email at: ipassaretti@holstein.ca or by phone at 1(855) 756-8300 ext. 223.

Warm regards,
- Isabelle Passaretti

Happy Holidays
